I don't want to argue but frankly this one... We are going to my parents in 6 days and you sent me straight into COVID.....???? YOU'RE SO F***** SELFISH
20:04

What do you mean COVID?
He told me he was clear on Monday!
But once again you make assumptions as to what I did. Of course you don't think there's an explanation.
But you don't want to argue...
Exactly the same as Cotswold.
I called to makeup but you still fight me
I hope you're having a nice evening you are amazing for being with mum
20:13

That's news to me but don't assume I "sent you to COVID"
20:23

Like I thought he was fine on Monday let alone Thursday
20:28

Oh God
I'm clearly a bad person
Honestly I thought on Monday all was good
20:53

He tested on Saturday and was positive he's still positive Alex
20:19

They are all shocked that you didn't tell me
They are so embarrassed
20:46

But once again you make assumptions as to what I did. Of course you don't think there's an explanation.
....
Alex don't say that. I am not making assumptions..I arrived and the first thing they all said is: Alex didn't tell you? We can't believe Alex didn't tell you.
So sorry for you but on this one there's 3 people saying you're lying it's not my assumptions
Stop with your fucking assumptions
If I can't go to Luxembourg Alex...
Please bring all the parcels that arrived today
ALL OF THEM.
+ MY SUNGLASSES
+ MY BRACES IN MY BEDSIDE TABLE
Thanks
Fucking hell
Would I have known I wouldn't be here but that's why you didn't tell me right. And you should have told me on Monday to start with and stayed away from me considering I now have another fucking neurology disease
Literally walked through the door and got apologies from seventy side
Now dont ever tell me about communication issues and try to say in front of them you didn't know because they all just said you're lying
22:16

Read your messages.
If you believe this you shouldn't be with me because I'm obviously terrible.
Decide what you want. But if you believe what you've written then you should leave me. Your choice.
I'm not going to take your accusations.
I tried to make us up. You wreck everything because you prefer war.
I will not fight you for the rest of my life. Decide what you want but right now you are accusing me of things that are not true.
I will not tolerate that.
Do not message me if it's not an acknowledgement of this.

You
Now dont ever tell me about communication issues and try to say in front of them you didn't know because they all just said you're lying
If you send me one more message anything like this accusation you can shove Luxembourg up your arse. Got it?
One wrong move and Luxembourg is out. Decide.
